SKATERS NAME: _____

The Club Code of Ethics has been developed to aid volunteer club executive members, club staff and club members in achieving an appropriate level of ethical behavior that will help them operate an efficient and successful Skate Canada Member Club.

To create and maintain a positive and successful learning environment, all stakeholders involved in our sport, (athletes, parents, coaches, officials, volunteers and club staff) must share a common vision and understanding of their role, as their actions ultimately contribute to, or undermine, the existence of a positive skating environment. All volunteer club executive members, club staff and club members are responsible for establishing and maintaining ethical behavior.

1. Be on time.
2. No electronics/phones on ice or benches.
3. Show the character traits of honesty, integrity, fairness, reliability/dependability and cooperation when dealing with all participants. Bring credit to our club!
4. Be a positive role model. Encourage sportsmanship by demonstrating respect, courtesy and positive support for all athletes, coaches, officials and volunteers at all times.
Do not engage in verbal or physical actions that unfairly disadvantage a given athlete.
Encourage athletes to learn and uphold the rules of their sport and the spirit of such rules.
5. Refrain from conduct which constitutes personal harassment or abuse of power in relation to another Skate Canada member.
 - a) "Personal Harassment" is defined as improper conduct (comment, conduct, or gestures), which is directed toward an individual, and is offensive or harmful to that individual, and which the person making the comment, conduct, or gestures knows or ought to know is unwelcome or unwanted
 - b) This conduct includes verbal, psychological and physical forms of behavior, is demeaning, belittling, or causes personal humiliation or embarrassment, and may be on a one-time or continuous basis.
 - c) The conduct takes place at or during the course of any Skate Canada business or skating activity or event; or, outside of those situations, when the conduct occurs between members of Skate Canada, and the conduct adversely affects the Skate Canada skating environment.
6. Only a coach may request music. If you miss your solo, you will have to wait until your turn comes up again.
7. Only interrupt coach if you need to leave the ice before the session ends. Remain on ice for entire session.
Talk to coach before the session starts if you need to leave early.
8. If any serious problems arise (alcohol, drugs, theft...) the person(s) involved will be expelled immediately without refund of fees.
